Canada's French Public Speaking Contest

Hello French language teachers!

Students from Kitimat, Hazelton and Terrace are invited to participate in this District-wide public speaking contest. It is a free event for French Immersion and Francophone students Grades 4-12 in our communities. The top 3 students from each grade in each community will compete for cash prizes! The top senior student earns a place at the Provincial level competition in Vancouver. Travel expenses for a student and chaperone are generously sponsored by SD #82.

What do you do now?

Have each student create a Concours d'Art Oratoire speech in time to send your top 3 students to the March 9, 2019, competition. Attached are resources that may help you through this process. We look forward to hearing some fantastic speeches! Bonne chance!
